

Putnam CAP is happy to announce our 2021 fund raiser:

On Saturday, May 22, Putnam CAP will be hosting an event that showcases some of the treasures to be found in our county and benefits an organization that works to combat poverty on a local level. Participants will begin their journey at the county farm and travel around Putnam in their own vehicles following a prescribed route that takes them to various sites of interest. During their travels they will also be engaged in activities such as drawing, poetry and photography, all of which are a part of the day's event which ultimately concludes with an outdoor dinner and silent auction. Every activity is designed to adhere to safe social distancing practices.

The nature of this event has made it possible for us to take advantage of additional regional advertising through the Putnam County Tourism Bureau. What a great opportunity for you to help fight poverty AND advertise your business with a sponsorship!

Sponsorships are available at the following levels:

- **Grand Prix Sponsor** **\$3,500**
(Includes 5 tickets, logo & top mention in print, website, social media, radio, event program advertising, Tourism promotion in Hudson Valley Magazine, press releases, tourism website & social media)
- **Premier Sponsor** **\$2,500**
